Online Course and Group Coaching Agreement

Cathy McCann is a Certified Nutritional Therapy Practitioner (CNTN) and Certified Life Coach. My training and education includes: certification as a CNTN from the Nutrition Therapy Institute in Denver, Co. and certification as a Life Coach from the Certified Coaches Alliance. I am a member of the National Association of Nutrition Professionals (www.nanp.org). This organization sets standards, ethics and scope of practice guidelines for nutritionist professionals.

My services in nutrition consultation and lifestyle coaching are alternative or complementary to healing arts that are licensed by the State of California. They do not involve the diagnosing, prognosticating, treatment or prescribing of remedies for treatment of disease. If you ever have any concerns about the nature of my services or our work together, please contact me right away. I recommend that you inform your medical doctor that you are receiving nutrition consulting services.
